a weekly news summary of the major daily newspapers in the pretoria johannesburg metropolitan area

derived from the renowned multi volume international encyclopaedia of laws this practical analysis of competition law and its interpretation in the south africa covers every aspect of the subject the various forms of restrictive agreements and abuse of dominance prohibited by law and the rules on merger control tests of illegality filing obligations administrative investigation and enforcement

procedures civil remedies and criminal penalties and raising challenges to administrative decisions lawyers who handle transnational commercial transactions will appreciate the explanation of fundamental differences in procedure from one legal system to another as well as the international aspects of competition law throughout the book the treatment emphasizes enforcement with relevant cases analysed where appropriate an informative introductory chapter provides detailed information on the economic legal and historical background including national and international sources scope of application an overview of substantive provisions and main notions and a comprehensive description of the enforcement system including private enforcement the book proceeds to a detailed analysis of substantive prohibitions including cartels and other horizontal agreements vertical restraints the various types of abusive conduct by the dominant firms and the appraisal of concentrations and then goes on to the administrative enforcement of competition law with a focus on the antitrust authorities powers of investigation and the right of defence of suspected companies this part also covers voluntary merger notifications and clearance decisions as well as a description of the judicial review of administrative decisions its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike lawyers representing parties with interests in the south africa will welcome this very useful guide and academics and researchers will appreciate its value in the study of international and comparative competition law

in tracing the development of the recruiting system alan jeeves shows how a large proportion of the labour supply came to be controlled by private labour companies and recruiting agents who aimed both to exploit the workers and to extract heavy fees from the employing companies the gold industry struggled for years against the internal divisions which created the competition for labour until at last the chamber of mines with the support of the state succeeded in driving out the private recruiters and centralizing the system under its control this study of the interests involved in the struggle for control of the black labour supply reveals much about the forces which created and now entrench racial domination in south african s industrial economy

this study explores and critiques law and law making in the nascent constitutional democracy in the new south africa with a focus on the complex roles of the executive parliament political parties the media and civil society the capacity and potential in the judiciary and the legal profession in promoting and protecting values and rights of equality and non discrimination is examined substantive equality and non discrimination law in theory and in practice is considered critically from a broad historical and social context that highlights areas of race gender disability harassment and hate speech socio economic rights and legal services international human rights law and comparative law aspects are skillfully interwoven in this pioneering scholarly work

the dismantling of the apartheid regime in south africa caused massive transformation in both geographical and economic terms not only in this country but also in the region as a whole as the post apartheid government enters its second term this captivating volume assesses its progress in unravelling the geography of apartheid both in south africa itself and in its relationships with other countries in southern africa and africa it also considers the ways in which south africa now that it is no longer a pariah state has begun to position itself within the current global economy examining south africa s land and agriculture mining and minerals manufacturing tourism corporate finance the labour market and transport the volume discusses the challenges of balancing growth and redistribution the extent and nature of progress change and relationships within the regional and global economy a compelling investigation into the economics of south africa s neighbouring states in relation to their natural resources colonialism and inter relationships with themselves and with south africa leads to a focus on the region as a whole and its relations with the global economy

for centuries the story of south africa could not be told without reference to race along with its two cousins of tribe and class the colonial history of our nation followed in 1948 by apartheid as a system of ordering society ensured that racism is a foundational fault line in the nation to use biblical language racism became our national idolatry much pain and suffering went into the struggle to dismantle race as a basis for ordering our national life the father of the south african nation nelson mandela is a symbol of how much sacrifice south africans had to make to end racism in focussing the search light of scripture on the foundational sin of our nation roger deploys one of the most powerful weapons available to the christian world to a rather stubborn demon in our national life there are no slogans philosophical arguments or worn out rhetoric in the book for that one must look elsewhere this is rather a book about ordinary folk wrestling before a holy god with the sin of their nation and putting their lives on the line in this way they have become witnesses not in words only but in their daily lives of the efficacy of the christian faith to save and redeem us from the tragedy of racism

for undergraduate and taught masters courses on modern south africa as part of a politics area studies development studies or combined social sciences degree this book provides an appraisal of critical moments in south africa s history segregation and racial supremacy black opposition politics under apartheid and violence and terror the authors include up to date information such as the transfer of power in 1994 enfranchisement and political realignment the post electoral period of adjustment and socio economic transition the findings of the truth and reconciliation commission and the 1999 elections
